

(上接 A67 版)

Table with columns for company name, fund name, and other details. The table is split into two main sections: the left section contains rows 4306-4399, and the right section contains rows 4400-4499. Each row lists a company (e.g., 上海证券资产管理中心), a specific fund (e.g., 上证380指数证券投资基金), and its status (e.g., 有效). The table is organized into columns, with the first column being the company name, the second being the fund name, and the third being the status.
